

LEECO LAMINATE COLLECTION
2015-2016

LEECO

With many years in the business of design and renovation, we understand the needs and hardships of designers and carpenters. With that experience, we mastered up courage, and set up **LEECO HARDWARE & TRADING PTE LTD** in 2002.

LEECO set foot onto a new direction of business industry which focus on supplying laminates and furniture hardware with reasonable price in the trying economical times.

Laminates

As the industries show more concern on laminates' quality, **LEECO** team is continuously working closely with trusted suppliers to provide quality laminates with reasonable price to our customers. Our commitments has brought us to be part of the Singapore Green Label Scheme.

042-032-2044

Environmentally Improved Low Emission Low Toxicity

At **LEECO**, we not only aim to provide quality laminates but also to reduce the worries of costing for our valuable customers. In fulfilling that, **LEECO** created an experienced and dedicated team from the start. There is neither a need for huge advertising expenses nor high publicity budgets. With that, we are able to offer reasonable price to our customers.

For the near future, we will continue to commit in improving the quality and designs of our laminates. Not forgetting to commit in providing professional service to our valuable customers.

Our Laminates Are Made To Beautify & Luxuriate Every Corner Of Your Home

PRODUCT SPECIFICATION

Environmental Friendly

Being part of Singapore Green Label Scheme, it certifies that our laminates are of low chemical emission and low toxicity.

To demonstrate our strong commitment in providing environmentally friendly laminates, we reach out to suppliers with GREENGUARD Certification. GREENGUARD Certification certifies that the products are of low chemical emission which improve the quality of the air in which the products are used. This means a healthier choice for the consumers and a greener environment.

Maintenance

For everyday cleaning, wipe the surface with mild soap and soft damp cloth. Rinse with warm water and wipe dry.

For stubborn stain, wipe with an all purpose cleaner and soft damp cloth. Rinse thoroughly with warm water and wipe dry.

DO NOT use any cleaners with abrasives, any acids or acidic solutions. It may damage or discolour the surface of laminates. If come in contacts, wipe off immediately, rinse and wipe dry.

Avoid extreme heat.

Disclaimer

Customers are advised to reconfirm the colour, design code and product attributes with our sales representatives.

Customers are encouraged to examine the laminates for any defects before accepting the delivery to prevent future misunderstanding.

LEECO will not be liable for extrinsic defects on the laminates such as installation error, wrong colours, mishandling etc.

The colour of the laminate samples shown in this catalogue may vary slightly from the actual delivered laminates. The accuracy of all laminate thickness may be subjected to $\pm 0.1\text{mm}$.
